

Premium Vanilla Soft Serve

Premium Vanilla Soft Serve has the perfect flavour balance of cream and vanilla, with a touch of caramel. An all-dairy, 98% fat free product, that has the smooth creaminess and rich full-bodied texture ideal for thickshakes, milkshakes and adding a twist to traditional Soft Serve desserts.

How to Prepare pour 3.5 litres of cool drinking water into a food grade mixing container. Add a bag (1.5kg) of D033 into the water while whisking for 30seconds or until all sugar is dissolved. Allow to stand for 10minutes and whisk vigorously again just prior to pouring into soft serve machine.
